LIBRARY SERVICES

ACTIVITY SCHEDULE	36-46
LIBRARY LEARNING RESOURCES	47

WELCOME!

Our mission in Community Services is building resilient communities by cultivating healthy bodies and curious minds. We fulfill that mission by providing services that give you and your family opportunities for learning, health, and happiness.

Thanks to the Strong Communities Initiative (Measure M), on July 2, 2018, we restored hours at our libraries and community centers, more than 500 combined hours per week! This includes re-opening community centers on Mondays and extending evening and Saturday hours at all Department facilities. We hope that you will check out some of our new offerings at these more convenient times.

We started off this past summer season with the *Activate Your Summer* event at Weber Point in partnership with several non-profits and the Lodi and Stockton School Districts. This annual event showcases free and low-cost summer programs throughout the County and provides a free meal to families. Look for *Activate Your Summer* in early June 2019 to help plan your next summer's activities.

In August 2018, we introduced Mobile City Hall, a vehicle equipped with technology to make it easier for residents to pay bills with credit or debit cards, apply for jobs, library cards, sign up for recreation programs and much more. Check out the Mobile City Hall schedule at www.stocktonca.gov/mobile.

As we head into Fall, there is much to look forward to as well. Here are just a few highlights:

- Due to the popularity of **Ultra Friday Nights**, we will continue the program one night per month for the rest of the year. The last Friday of every month will be designated Ultra Friday Night at City community centers.
- **Pickleball drop-in program** begins in October. Pickleball is a paddle sport that combines elements of badminton, tennis, and table tennis.
- On October 20, in celebration of Arts Week, the Library will be hosting a conversation with **San Francisco Chronicle film critic Mick Lasalle**. Learn about his work as a film critic, his opinions on the best and worst films of all-time and join the Q&A. Film lovers, this is a rare treat to meet a renowned critic right here at home!
- What happens when two art forms collide? This festival explores that question with an eclectic mashup of music, dance, fashion, live art and much more. The **second annual Collide Arts Festival** at Weber Point will be held October 21. Visit the beer garden and grab a bite of fusion food from our food truck offerings and support local arts and artists.
- **After School Express**, our free afterschool program for kids ages 5-12 reopened at all community centers and many of our libraries offering in-person homework support. Visit ssjcpl.org and contact your local community center today to see what they offer. For your greatest convenience, we also offer free, live tutors online through our tutor.com service in both English and Spanish. All you need is a library card (and remember, it's free).

This activity guide, and our City and County is filled with opportunities for learning, staying active, and most importantly ways to create community. We hope you find information in these pages that spurs you to take a chance, try something new, and broaden your outlook. We look forward to seeing you!

John Alita
Community Services Director

GOLF

YOUTH

SWENSON PARK JUNIOR GOLF LEAGUE

The Swenson Junior Golf League is dedicated to delivering the best Junior Golf experience in the Valley. PGA Professionals with over 40 years of experience guide every junior to help them reach their playing potential. With matches every Sunday, the juniors are exposed to a competitive round early and often. We have six levels of competition, ranging from first time touching the club to ready for high school golf and beyond. Let us help your junior find their love for the game of golf that will last a lifetime. To register, contact Swenson Golf Course at (209) 937-7360.

MINI MOVERS, START SMART

Start Smart Sports Development Program teaches children (ages 3-5) the basic skills necessary to play organized sports, while they work one-on-one and spend quality time with their parents. The program focuses on teaching children and their parents basic sports mechanics without the threat of competition or the fear of getting hurt. Sessions are held once a week for six weeks, and each week the exercises become increasingly more difficult as the class progresses and the children show improvement. Parents must accompany the child.

Location: Stribley Community Center

YOUTH

YOUTH BASKETBALL - WINTER

Youth basketball is an exciting sport combining team play and individual skills. Stockton basketball promises no try outs, no getting cut and no bench warmers! This is a 6-week league. Practices are held once per week depending on the day and time selected by their team coach. A parent info meeting will be the week of January 21st. A skills clinic will be offered February 2nd through 8th, and our Basketball Jamboree is on February 23rd. All dates, times, and locations will be determined by enrollment and grade. Registration is November 17th through January 5th.

Location: Arnold Rue, Seifert, and Stribley Community Centers
